Foreword

Professor Dr. Azlinda binti Azman
Director General of Higher Education
Ministry of Higher Education Malaysia

Assalamualaikum wbt and Salam Sejahtera.

Peace and blessings be upon you all.

Praise Allah with gratitude and thanks to His presence; the 2nd Regional Student Leadership Summit (RSLS 2023) has been successfully held for the second time this year, thanks to His grace and permission.

I extend my heartfelt congratulations to the University Leadership and Training Council of Malaysia (MAKLUM), the Department of Higher Education, as the co-organizers along with the University Entrepreneurship Council of Malaysia (MAKMUM), the University Volunteer Council of Malaysia (MASKUM), Universitas Negeri Padang (UNP), the ASEAN University Network (AUN) and the Indonesia-Malaysia-Thailand Growth Triangle (IMTGT).

RSLS 2023 was entirely led by students from public universities in Malaysia and Indonesia, as a step towards strengthening international-level student empowerment. The Student Secretariat team consists of students from Universiti Tun Hussein Onn Malaysia (UTHM), Universiti Sains Malaysia (USM), and Universiti Kebangsaan Malaysia (UKM), with the assistance of students from Universitas Negeri Padang (UNP), Indonesia.

The Ministry of Higher Education (KPT) fully supports RSLS 2023 in response to two of the eleven main agendas proposed by the Honorable Datuk Seri Mohamed Khaled Nordin, the Minister of Higher Education Malaysia, namely 'Strengthening Malaysia's Role as a Lynchpin for Talents and Knowledge' and 'Student Empowerment.' Hence, it is time for us to heed the call of the Minister of Higher Education and ensure that what he has expressed becomes a pillar for the outstanding empowerment of students.

I hope all participants will use this opportunity to make new acquaintances, expand their networks, and exchange ideas with ASEAN students. Utilize all the knowledge, skills, and experiences gained to contribute positively to the development of society and the nation.

Congratulations and best wishes for success.

Foreword

Professor Drs. Ganefri, M.Pd

Rector of Universitas Negeri Padang,
Indonesia

Greetings to all.

First and foremost, I would like to express my gratitude to the Ministry of Higher Education (KPT) of Malaysia and the University Leadership and Training Council of Malaysia (MAKLUM) for choosing Universitas Negeri Padang (UNP) as the host for the 2nd Regional Student Leadership Summit (RSLS 2023).

I am delighted to welcome the delegation of RSLS 2023 participants from Malaysia and ASEAN countries. RSLS 2023 provides an opportunity for students from ASEAN nations to come together, exchange ideas, expand their networks, and make new acquaintances. This conference also serves as an appropriate platform to strengthen relationships and encourage cooperation among ASEAN countries, especially between Indonesia and Malaysia.

As the Rector of UNP, I assure you that UNP will provide full support and cooperation in the successful execution of RSLS 2023. Like Malaysia, UNP is also committed to empowering its students in various aspects to bring about positive change within the university community, the local community, and the nation.

I hope that RSLS 2023 is not the last collaboration between Indonesia and Malaysia. Conferences like this and other leadership programs should be organized in the future for the coming generations of students to equip them with the skills needed to navigate future challenges.

In conclusion, I extend my best wishes to all RSLS 2023 participants and hope you have a successful and enriching experience on the land of Padang, West Sumatra, Indonesia.

Thank you.

Foreword

Prof. Dr. Ahmad Martadha Mohamed
Deputy Chairman of the University
Leadership and Training Council of Malaysia

Assalamualaikum wbt dan Salam Sejahtera.

First and foremost, I would like to extend my heartfelt congratulations to the Department of Higher Education, the Ministry of Higher Education, and the University Leadership and Training Council of Malaysia (MAKLUM) for organizing The 2nd Regional Student Leadership Summit (RSLS 2023), in collaboration with the University Entrepreneurship Council of Malaysia (MAKMUM), the University Volunteer Council of Malaysia (MASKUM), the Indonesia-Malaysia-Thailand Growth Triangle (IMT-GT), and the ASEAN University Network (AUN). I would also like to express my profound gratitude to Universitas Negeri Padang (UNP) for graciously hosting RSLS 2023.

RSLS 2023 is a prestigious program and a flagship initiative for MAKLUM in 2023. This program brings together students from ASEAN universities to engage in scholarly discussions and share ideas, aiming to cultivate a more knowledgeable and aware generation of students who are well-versed in current issues relevant to their peers.

I believe that the organization of RSLS 2023 will equip its participants with the knowledge, skills, and experiences necessary to face the challenges of today's world. As the Chairman of MAKLUM, I want to emphasize that MAKLUM will always support the government's efforts to empower students in various aspects, as they are the future leaders of our nation. Students are among the key agents of positive change in any country.

On this occasion, I would also like to congratulate and express my gratitude to all RSLS 2023 participants for their enthusiasm in joining this program. Your presence at UNP proves that you have taken significant steps towards self-empowerment.

Assalamualaikum wbt and Salam Sejahtera.

Praise be to Allah SWT, the highest gratitude is offered to Him, as with His permission, The 2nd Regional Student Leadership Summit (RSLS 2023) has been successfully held for the second time at Universitas Negeri Padang (UNP), Indonesia.

This marks the second edition of RSLS, following its inaugural event at the University of Malaya, Kuala Lumpur, Malaysia, in 2015. Themed "Resilience and Reinvention," RSLS 2023 aims to provide an opportunity for participants to exchange ideas among ASEAN students and learn about local culture and community life through community service. RSLS 2023 also adheres to five main scopes: 'social enterprise,' 'community service, entrepreneurship, leadership,' and 'volunteerism,' which are crucial elements in empowering students.

RSLS 2023, which spanned five days, was entirely led by the Student Secretariat team with strong support from university officials. A total of 45 students from Universiti Kebangsaan Malaysia (UKM), University Sains Malaysia (USM), University Tun Hussein Onn Malaysia (UTHM), and Universiti Negeri Padang, Indonesia, served as the driving force behind RSLS 2023, from planning to execution.

As the director of this conference, I would like to express my heartfelt gratitude to the Ministry of Higher Education (KPT), the University Leadership and Training Council of Malaysia (MAKLUM), the University Entrepreneurship Council of Malaysia (MAKMUM), the University Volunteer Council of Malaysia (MASKUM), the Indonesia-Malaysia-Thailand Growth Triangle (IMT-GT), the ASEAN University Network (AUN), and Universitas Negeri Padang, Indonesia, for the support provided to our team in leading RSLS 2023. This conference could not have been conducted without the guidance and mentorship provided to us.

On this occasion, I also want to extend my best wishes to all RSLS 2023 participants. Don't forget to share the knowledge and experiences gained with students at your respective universities.

Thank you.
